

# Follow a day in the life of your favorite Fantasy Character

## Fantasy Writer

7 am – Learns how to read.  
 10 am – Learns how to write.  
 12 pm – Blatantly steals plots and themes from classical mythology, the Bible, and reruns of *Saved By The Bell: The Fantasy Novel Years*.  
 2 pm – Sprinkles in subliminal messages of Satan worship and Anglophilia. Now children everywhere will know that England is a magical land of fairies and goblins, and if you don't like tea and crumpets Satan is going to sodomize you.  
 6 pm – Makes millions and millions of pounds when book is made into a movie directed by the producer of *Jingle All The Way*. Reviewers call it enchanting and inept.  
 8 pm – Writes sequel: *Fantasy Novel and the Chamber of Metaphors for Puberty*.  
 11 pm – Is meta.  
 1 am – Publishes an exact copy of *The Lord Of The Rings*, albeit with different character names, wins the Nobel Prize for Literature.

## Villager

7 am – Lives peacefully.  
 10 am – Is randomly asked for information concerning Nebulous evil Power. Repeats [the phrase] "The Evil Power Must Be Stopped" until they get the point and stop asking.  
 12 pm – Watches as the party barges into his house, eats his lunch, opens his favorite treasure chest, sleeps with his wife, makes phone calls that are really expensive, and takes a nap. Wonders why his city doesn't have a Bill of Rights.  
 2 pm – Tries to make his voice heard in government, but can only say "Do you want to save? Y/N?"  
 6 pm – Watches in horror as his town is destroyed for the hundredth freakin time.  
 8 pm – Watches in resignation as his town is destroyed for the hundredth and first freakin time.  
 11 pm – Wonders how he affords food and this nice cottage, even though he never leaves his house or works.  
 1 am – Killed accidentally by the Hero and his Companions of Light.

## Hero

7 am – Fries eggs on rock hard abs.  
 10 am – Makes a powerful speech on the evils of Nebulous Evil Power. Still isn't wearing a shirt.  
 12 pm – Enters house of random villager, eats his food for lunch.  
 2 pm – Saves princess from imminent development of a personality; still not wearing a shirt.  
 6 pm – Begins to have qualms about all the mass murder he commits daily. Angst ensues.  
 8 pm – Angst ceases. Ethnic cleansing of those derved orcs.  
 11 pm – Dubs self a Jesus-figure. Gets felled by junior high school English teachers. Now, not even wearing pants.  
 1 am – Anti-climactically, and in a very rushed manner, defeats Nebulous Evil Power. By doing so saves the world from having to read any more bad writing, shows off his rippling muscles. But oh no! The princess is in another fantasy novel! Start again.

## Dwarf

7 am – Mines.  
 10 am – Mines.  
 12 pm – Mines.  
 2 pm – Mines.  
 6 pm – Does a little jig.  
 8 pm – Mines.  
 11 pm – Mines.  
 1 am – Mines. Is eaten by a dragon.

## Cat Girl

7 am – Eats eggs off of Hero's rock hard abs.  
 10 am – Admits to companions that in real life, she's really a dude.  
 12 pm – Hits on other cat girls.  
 2 pm – Other cat girls admit that in real life, they're really dudes.  
 6 pm – Continues to have sex with other cat girls.  
 8 pm – Has sex with those derved orcs.  
 11 pm – Meets long lost parents, who, though also a mix of cat and a human strangely enough are not sexy, but rather horribly deformed mutants.  
 1 am – Reveals allegorical function as a free spirit of pristine nature. Which explains all the sex, really.

## Wizard

7 am - Makes breakfast out of space and time.  
 10 am – Knows the secret info that will be the key to the Hero's triumph, but keeps it to himself. Smirks and thinks, "I am *such* a bastard."  
 12 pm – Beard cut appointment. Decides to go with the female dwarf look.  
 2 pm – Mysteriously alludes to the mysterious key to the Mysteries. Still is *such* a bastard.  
 6 pm – Whines that no one is paying attention to his mysteries, and that you don't call enough and when are the kids going to visit and bring him his damn medicine?  
 8 pm – Mumbles incoherently.  
 11 pm – Makes magic with help of the glorious CGI technology. And Satan.  
 1 am – Is either killed by a huge-ass monster, trapped under an enormous rock for all eternity, or martyrs himself to defeat Nebulous Evil Power. Point is, he's fucked.

## Nebulous Evil Power

7 am – Is Nebulous. Eats a breakfast burrito. Of Evil.  
 10 am – Makes a powerful speech on the evils of the Hero to his army of unthinking robots.  
 12 pm – Watches as his adorable (and thoroughly evil) Nebulous Son makes a death ray out of dried elbow macaroni.  
 2 pm – Sadly recalls his youth in Auschwitz, where he was a tour guide throughout high school.  
 6 pm – Decides he'll fuck with Hero by making up that he's his father or brother or some shit like that.  
 8 pm – Hires midgets.  
 11 pm – Involved in midget Union squabbles. Finally gives into their demands for more mythril. Allows them to affect false British accents and grow prodigious foot hair.  
 1 am – Is defeated by the Hero's "pure heart" (read: machete). Forced to spend eternity as a Unicorn in Barbie's magical forest of pixies Playset™.

After amassing a sizable crop of artichokes and presenting them to the dragon, he thanks you and gives you a Rock Of Teleportation And Success. *Great!* you think. *With this Rock Of Teleportation And Success I can restore order to the Enchanted Peninsula!* Before you can do so, however, you develop Lou Gehrig's Disease and die.
