Dear Cadbury's USA:

As of late, my frequent use of Dentyne Fire in nightclubs, bars, and other social situations has failed to spontaneously turn even one person into a Latin American. Is there something I'm doing wrong? Please reply soon; my girlfriend is a total WASP and could use the shakeup.

Best,
Jim Fairbanks

Dear Timmy,

When we told you that we took Snowball to live with a nice farm family, what we actually meant to say was that we took him to the vet to inject him with a lethal dose of poison. Sorry to confuse you, honey.

Love,
Mom and Dad

Dear ITS,

Thanks to your WiFi Internet access points located conveniently across campus, I've been able to take my pornography addiction from the dorm room to the classroom. Learning has never been so arousing!

—That Kid in the Back

Dear Baby "Geniuses,"

Who the fuck do you self-aggrandizing pricks think you are? I swear to God the next time you even think of co-opting my rep I will grind your semi-formed skulls in my garbage disposal.

—Jimmy Neutron

Dear Mr. Bird,

We regret to inform you that we were not able to medicate Mr. Snuffalupugus per your request as he does not, in fact, exist. Accordingly, we have diagnosed you with moderate to severe paranoid schizophrenia and have recommended you for electroshock treatment beginning Monday. Have a sunny day.

—Psychiatric Ward Staff, Sesame Street Presbyterian

Dear Professor Gaddis,

I'm sorry I didn't hand in my homework on time. When you said explicate the doctrine, I thought you said sit on my ass and eat chips.

Dear *Yale Record*,

So I'm thinking about sexiling my roommate for the evening, only he sleeps on the bottom bunk. Now I've got a problem: Should I go for the dangerous sex, or defile another man's sheets?

—Kendall Rice, '08

Dear City of New Haven,

I really love the area you have built. It's so tranquil—I've never even seen or heard a police siren here.

Love,
Helen Keller
